

Santee "Hungry for Power Games" District Map A
Map A, submitted by Realtor B, creates an uncontested District for Realtor B to run in while eliminating competition form Challenger 2, Challenger 3 and incumbent Houlahan.
Map A separates Incumbent Realtor A from having to run against incumbent Insurance Rep. A.
Realtor B's Map removes Challenger 1 from the open District 3 race and places Challenger 1 in an underdog race against incumbent Insurance Rep. A.
The City Council could have rejected the overtly politically gerrymandered map in favor of an impartial consultant drawn alternative, but chose to do the opposite.
Take a moment to "give tribute to brave fallen" Challengers 2 and 3.
